

**Cultivating Greatness: Helping people and organizations grow their best selves**

**CONSULTING AND COACHING: GET EXPERT GUIDANCE AND ADVICE**

What keeps you up at night? What gets in your way?

You're not supposed to have all the answers. I can help!

My advice is tailored for you and your situation. I keep your confidences and your privacy.

I listen, and I empower you to find solutions.

Purpose. Direction. Clarity. Inspiration.

Get unstuck. Figure out what you want, where to go, and how to get there. I will be by your side.

Don't see what you're looking for? Just ask!
