Facilitator. Trainer. Coach. Organizational Consultant.

I can help! I bring over 20 years' experience to aid and advise you.

CUSTOMIZED WORKSHOPS AND TRAINING: AMPLIFY YOUR EFFORTS

A two-hour class? A multi-day workshop? Something in between? You tell me your desired outcomes, then I create and teach customized material specifically for you.

Some specialties include leadership and management, resilience, change management, Myers-Briggs Type Indicator®, diversity and inclusion, and business writing and grammar.

PERSONAL AND EXECUTIVE COACHING: GET EXPERT GUIDANCE AND ADVICE

Are you struggling with a decision? Are you at a crossroads? What keeps you up at night? What gets in your way? What are your dreams? I listen, and I empower you to find solutions.

Purpose. Direction. Clarity. Inspiration. Change.

Get unstuck. Figure out what you want, where to go, and how to get there. I will be by your side.

STRATEGIC PLANNING AND ORGANIZATIONAL EFFECTIVENESS: ADVANCE YOUR GOALS

Design your path. Plan for your organization's future. Create a vision—and figure out how to execute it. Build your team, and increase your people's productivity.
